**Rural France on your doorstep just 45 minutes from Calais**

Situated in the centre of the village of Delettes, near St Omer, The Farmhouse nestles in the valley of the river Lys, surrounded by the rolling countryside of southern Pas de Calais. The Farmhouse and other buildings create a huge courtyard which is a private and secure sun trap. Ideal for holidays with younger children as they are kept safely in the property. To the rear of The Farmhouse there is a large garden and completely secure walled swimming pool.

table and table football, a large selection of music, lots of books, an activity barn off the courtyard with badminton and a full-size trampoline, and a large garden. The heated pool is normally open from May to mid-October.

Families who have stayed say it is one of the most relaxing holidays they have had, with the children fully occupied, and plenty of private spaces for everyone to enjoy. Over the years, our guests have used the farmhouse for everything, from celebrating anniversaries and reunions, to spending a quiet romantic weekend 'à deux', enjoying the tranquillity of the house, the enormous private courtyard, and garden.
